CAREER OBJECTIVE

As a recent graduate with a Bachelor of Computer Applications (BCA), I am seeking a challenging and growth-oriented position in the field of Information Technology. Along with hands-on experience in software development, database management.

WORK EXPERIENCE

Front End Development • Internship   Feb 2025 - Mar 2025
Cognifyz Technologies, Virtual

•Developed a clean, semantic HTML page structure to ensure proper content organization. •Applied inline CSS for styling, enhancing the page's visual appeal and consistency. •Strengthened skills in HTML elements, attributes, and layout principles for improved user experience. •Gained hands-on experience with frontend design techniques and web content structuring.

Web Development Intern • Internship   Jan 2025 - Feb 2025
Prodigy Infotech, Virtual

•Built a Weather App using real-time API integration and a Stopwatch Application with JavaScript. •Enhanced skills in frontend development, API handling, and responsive design.

EDUCATION

Bachelor of Computer Applications (BCA),   2021 - 2024
Chandrabhan Sharma College Of Science And Commerce Powai Vihar

CGPA: 6.81/10

TRAININGS / CERTIFICATIONS

Responsive Web Design
Jun 2024 - Jul 2024

FreeCodeCamp, Virtual

PROJECTS

Weather App ↗
Jan 2025 - Feb 2025

Developed a Weather App using HTML, CSS, JavaScript, and API integration to display real-time weather information in a responsive design.

Focus On Today ↗
Jun 2024 - Jul 2024

This project is a "Focus on Today" app designed to help users stay focused on their daily tasks. The app provides a simple and intuitive interface where users can add tasks, mark them as completed. The app is built using HTML, CSS, and Javascript

Library Management System ↗
Jan 2024 - Jun 2024

Developed a system to manage and organize library records efficiently. • Utilized SQL/PHP for backend logic and HTML/CSS for the frontend design. • Implemented features like book search, member management, and borrowing/returning logs.
